In the Dark £180

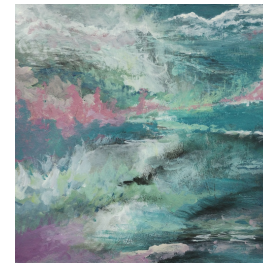

Calming Surge £180

Fresh £210

Flow £180

In The Depths £180

Find paintings of places that feel familiar yet unknown to you, evoking a sense of calm.

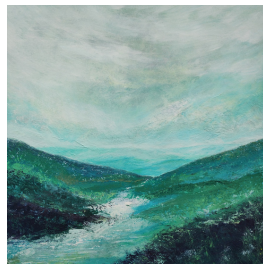

These artworks are produced purely intuitively which means they were created purely from emotion and instinct with no pre determined layouts in mind.

While painting, Hannah reflects on experiences of being out in nature making it somewhat a therapeutic process as nature is where this artist often finds peace of mind.
